Dear Mr. Davidson:

This letter acknowledges receipt of your Freedom of Information Act (FOIA) appeal, submitted to the Department of Health and Human Services (HHS), FOI/Privacy Acts Division. We received your appeal on **May 31, 2023**. Your appeal challenges the National Institutes of Health's (NIH's) response to your original FOIA request (Request No. 58915). Your appeal has been assigned the above-stated case number based on when it was received in this office. Please reference this number on your correspondence.

Your appeal challenges NIH's decision to withhold the records responsive to your original request under Exemption 4 of the FOIA.

Pursuant to 5 U.S.C. § 552(a)(6)(B)(i) and 5 U.S.C. § 552(a)(6)(B)(iii) of the FOIA and 45 CFR 5.24(f) of the HHS FOIA regulations, **your appeal falls under "unusual circumstances"** in that our office will need to consult with **another office or agency that has substantial interest in the determination of the appeal**. The actual processing time will depend on the complexity of the issues presented in the appeal and consultation with other U.S. Department of Health and Human Services (HHS) components involved. Each appeal is handled on a first-in, first-out basis in relation to the other open appeals in the processing queue. Currently, there are approximately 470 open appeals in the processing queue. For more information about how your appeal will be processed please refer to the HHS FOIA regulations (<https://www.federalregister.gov/documents/2016/10/28/2016-25684/freedom-of-information-regulations>).

As a final note, if you are not already submitting your appeals through our Public Access Link (PAL), we recommend all future appeals be submitted through PAL - <https://requests.publiclink.hhs.gov/>.
